

Hello Year One , I hope you are all well ?

We have been busy in the Stuart household this week, we have been walking Digby every day and dressing him up as the Easter Bunny, he loved the ears, can you see him smiling ?

I have dusted down my sewing machine and used some scraps of fabric to make some pretty bunting and we have picked some spring flowers from our garden to bring inside.

My daughter Maddie has been working really hard on her school work and her photography exam and helping me with cooking for all our family.

Catch up soon, take care ,love Mrs Stuart xx
