

Friday 17<sup>th</sup> April

Hello everybody! I hope you are all keeping well and had a lovely Easter weekend. We have been enjoying the sunny weather and had a tasty barbeque on Saturday followed by a garden Easter egg hunt on Easter Day which was good fun! I know that some of you have been looking out for birds that you can see in your garden and we have been doing the same - we have seen blackbirds, starlings, blue tits and were very excited to see a pair of chaffinches that we think are nesting in our hedge. I'm also busy looking after my plants which are growing well, especially my cucumber plants...

I'll write again soon. Take care.  
Love from Mrs Mulligan x
