

Phase 4 Sounding Out Polysyllabic Words Game

For this game, everybody needs their own whiteboard and pen.

How to Play Get Ready to Draw!

- When you see a word, sound it out quietly to yourself.
- Blend the sound to read what the word is.
- When you know what the word is, draw a picture quickly on your board.
- Turn your board around as soon as you can so that your teacher can see what you think the word says.
- It is very important that you draw and show your answer quietly.
- If you shout out the answer, somebody else might hear you and put it on their board even quicker than you can!
