3rd May 2023

Dear Parents,

The summer term sees the whole school taking part in a key part of our Religious Education programme 'Journey in Love' where the children will learn about relationships and sex education set in the context of the Catholic faith. The programme covers aspects of the statutory Personal, Social, Health and Emotional Curriculum and the Science Curriculum.

Parents are invited to a meeting on Wednesday 17th May at 2.30pm where I will outline the programme and you can find out about how we will teach this aspect of the curriculum.

I would particularly encourage year 5 and 6 parents to come along as the Science National Curriculum covers the changes that occur during puberty which will be taught this term. OM Health and Well-being (Annie & Sue) will be working with the children in year 5 and 6 as part of the programme as well. It would be helpful for you to be aware of the information we will share with your child and be prepared for any questions they may have at home.

Please confirm your attendance by emailing the office so I can ensure sufficient chairs are available. Please also send any questions you may have to ensure we answer them at the meeting.

Yours sincerely,

Maria Kemble
Executive Head Teacher
