

Mrs Malone's One Page Profile

What I would like you to know about me.

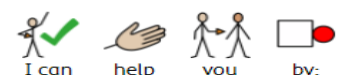

- I love being outside, especially in the forestry. Nature is cool!
- My favourite subject is PE.
- I like playing board games.
- I like mending/fixing things in my old house.
- My Superpower is knowing when someone needs my help even if they can't tell me with words.

Something I find tricky is...

Following difficult instructions without seeing someone do it first. Pictures and videos help me learn.

I can help you by...

- Being available to support you with understanding & coping with your emotions.
- Looking after you if you are hurt or feel unwell.
- Finding classroom resources that help you with your learning.
- Understanding you as a person, what you like/what you don't like.
